

The USAID-Partners Environmental Working Group
Promoting Environmental Resiliency in International Development

USAID-Partners EWG Vision:

1. Promote “Do No harm” Principle
2. Empower Use of Reg. 216 to Increase Sustainability of Programs
3. Increase Buy-in and Awareness to Executive Leadership
4. Facilitate Better Knowledge Exchange

2004-2006 Meetings in Washington DC:

December 2004, June 2005, July 2005, August 2004, November 2005, February 2006 (Planned)

Affiliates:

Ange Tingbo (Africare), Ben Campbell (World Vision), Thoric Cederstrom (Counterpart International (CPI)), Karl Goeppert (CRS), Grace Jones (Counterpart International), Devona Bell (Winrock), Bill Fiebig (STC), Geoff Heinrich (CRS), Tia Scagliarini (CPI), Rachel Lambeth (ADRA), Laura Cramer (CPI), Scott Solberg (SMIC), Paulina Tobar (SMIC), Wes Fisher (Cadmus), Karen Menzer (consultant), Charles Kelly (Benfield Hazard Research Center), Marsha Goldberg (State/OES), Katey Schien (AMEX), E. Allyn Moushey (USAID/FFP), Tim Resch (USAID/AFR), Carl Gallegos (USAID/DCHA), Rudy Vigil (USAID/FFP), Erika Clesceri (USAID/FFP), Victor Bullen (USAID/LAC), Keith Kline (USAID/RCSA), Brian Hirsch (USAID/AFR), Walter Knausenberger (USAID/REDSO)

Highlighted Goals:

1. Prepare Concise Reg. 216 and Environmental Sound Design Training Devices
2. Strengthen Online Knowledge Management tools: IEE Databases
3. Include Environmental Compliance Requirements in RFP/RFAs
4. Evolve IEEs into Adaptive Management Tool: Environmental Management Plans
5. Provide Practical M&E Training and Tools
6. Assess Effectiveness of PVOs vs. USAID Preparing IEEs
7. Assess extension of ESR approach to DA-funded programs
8. Integrate Env Compliance into General Programming and Assessment
9. Enhancer HQ and Field Support from Executive Leadership
10. Promote Audits by In-Country Environmental Professionals
